You must choose a **minimum** of 8 classes and 3 alternates.

Liberty High School
PROPOSED COURSES OFFERED FOR 2022-2023
Selecting these courses will determine the Master Schedule for next school year. **NO course request changes will be accepted after April 1.** Make sure to review the course description, Course Offering and Description Guide as well as check the necessary pre-requisite(s). The guide can be found on the Liberty Guidance web page or on the PUSD webpage under Guidance. Courses listed below are proposed classes for the 2022-2023 school year. The final decision to offer a course will be dependent upon the following factors: classroom space, availability of certified teacher, district enrollment standards, and the district's ability to financially support the program. Prices for courses are approximate and subject to change, pending board approval.
Please note the following: CR = Credit and DE = Dual Enrollment Courses (credit may possibly be earned through the Maricopa Community College System; costs vary with courses)

OFF-CAMPUS ELECTIVES

In addition to the many great electives that Liberty High School has to offer, our students also have off-campus programs available to them.

All off-campus programs require an additional application that the student must submit to their Counselor to begin the process of trying to get into the program.

Below are the off-campus programs available to Liberty students. All programs require an application or co-enrollment form that the student must submit to their Counselor to begin the process. All off-campus programs must be listed as alternates on the ECAP until the student is accepted.
