Frequently Asked Questions:

<p>Which tests are required for graduation?</p>	<p>The state requires every student to pass an American Civics Test. This is a 100-question test and students must get at least a 60% to pass. Most students already took and passed this test (it is noted on the transcript). Study materials and information about the test can be found on the state website at: https://bit.ly/studycivictest</p>
<p>What are the 16 core University Admission requirements?</p>	<p>Students must have C's or better in their core classes to attend the in-state universities. This includes: 4 English credits, 4 math, 3 science, 2 social studies, 2 world language credits, and 1 CTE or fine art. Students planning on going out-of-state OR to a private college (like GCU) should check the admission requirements with the school directly. Please note that NAU recently made foreign language credits optional.</p>
<p>Should I re-take the ACT/SAT?</p>	<p>Only students planning to go straight to a 4-year university right after graduation need an ACT/SAT score. Scores can be used for admission if the GPA is not acceptable. Typically, the score is used for scholarship awards. Students planning to go to a Community College first do <u>not</u> need an ACT/SAT score to attend; just your HS diploma.</p>
<p>When should I apply to colleges?</p>	<p>The earlier the better so you and your family can start planning. See Senior To-Do list document for more detailed information on what you should be doing.</p>
<p>Am I eligible for a waiver for the University Application fee?</p>	<p>There is a household income cutoff based on the number of people in your family to qualify for a fee waiver. <u>Example:</u> a family of 4 that makes < \$45,500 is eligible for the waiver for in-state college application fees <u>and/or</u> NCAA fees. Students who are on the free/reduced lunch program do qualify for the fee waiver.</p>
<p>How do I know what college classes to take?</p>	<p>Check the university website to find a Program of Study for your major. You will meet with a college advisor to help with selection of classes.</p>
<p>I am interested in playing college sports, what do I need to do next?</p>	<p>Talk to your coaches and counselor first. If you are planning to play at a Division I or II school, you must be "registered and cleared" before you can talk to college coaches or go on visits. See NCAA/NAIA websites for more details.</p>
<p>How do I find scholarships? When do I apply?</p>	<p>There are many types of financial aid, including grants, loans, and scholarships. We have resources on the Liberty Guidance website, including a list of scholarship sites to get you started. You should actively be researching and applying for scholarships ALL year. Check with the Career Center, too. You should <u>NEVER</u> pay a website to search for scholarships.</p>
