## **Shadowing Program at Ironwood**

Ironwood has a "Shadowing" program that allows students to spend a day visiting at Ironwood. Students are assigned to an IB student guide, who has similar interests in specific subject areas. The idea is to allow the perspective student to visit the IB classes and see if they feel comfortable in the classes and to see what an IB class is. Our IB students feel that this is an honor and they take very good of your student!

Students should arrive at 7:20 am at the front office. They should either bring a lunch, or bring money to buy a lunch. Students will be ready to be picked up by the parents at 2:20 pm. The idea behind our shadowing program is that this will allow perspective students to see what being an IB student is like and to interact with other IB students. Please encourage your student to ask questions about the program. It makes a difference if those questions are answered by IB students! If you are interested in shadowing an IB student, please contact Mrs. Kuczka so that she can make the arrangements for your student's visit.

### **I.H.S. International Baccalaureate/AIM Program Visit Request**

Name of student: \_\_\_\_\_ Date of Visitation: \_\_\_\_\_

Name of student guide: \_\_\_\_\_

Name of Parent: \_\_\_\_\_
