Shadowing Program at Ironwood

Ironwood has a “shadowing” program that allows students to spend a day visiting Ironwood High School. Students are assigned to an IB student guide who has similar interests in specific subject areas. The program allows the prospective student to visit some IB classes to see if he or she feels comfortable in the classes and, generally, to see what an IB class entails. Our IB students feel that being selected as a guide is an honor, and they take very good care of your student.

Students should arrive at 7:20 am at the front office. They should either bring a lunch or bring money to buy a lunch. Students will be ready to be picked up by parents/guardians at 2:20 pm.

Please encourage your student to ask questions about the program. It makes a difference when those questions are answered by IB students. If you are interested in shadowing an IB student, please contact Mr. Curtis so that he can make the arrangements for your student’s visit.
