FRESHMEN REGISTRATION COURSE REQUEST FORM

THIS SIDE TO BE FINALIZED BY 8TH GRADE TEACHERS & HS COUNSELORS

Student Name: _____ Elementary School: _____

High School Attending: _____

A) ENGLISH – Please choose appropriate level:

Mark	Course Number	Course Name & Description
	31100953Y & 31100954Y	English Essentials Strategies (IEP required) – a yearlong English Essentials course with access to the general curriculum with appropriate accommodations.
	100951Y & 100952Y	English Essentials & English Essentials Elective Yearlong - a yearlong highly structured course for students needing additional time and assistance to approach grade-level reading and writing skills. Students receive an academic credit for English I and an elective credit.
	101001Y & 101002Y	English I & English I Elective Yearlong - a yearlong time-expanded course for students needing additional time and assistance to achieve the academic writing outcomes for English I. Students receive an academic credit for English I and an elective credit.
	10100	English I – a one-semester English class. Students receive one academic credit for English I.

**IF HONORS ENGLISH IS RECOMMENDED;
CIRCLE COURSE CODE OF WHICH CLASS THE STUDENT WANTS TO TAKE.**

	10160	Pre-AP English I – a one-semester course designed for students significantly above grade-level in their reading and writing achievement. Students receive one academic credit for English I.
	10160Y & 20209Y	Pre-AP English I & Foundations of Business Mgt – year long advanced course designed for students significantly above grade-level in their reading and writing achievement. Students will be involved in FBLA and gain a better understanding of personal finance and what it is like to own a small business. Students receive one academic credit for English I and one elective credit.
	10160 & 13561	Pre-AP English I & AP Human Geography H - paired course offering for students significantly above grade-level in their reading and writing achievement. Students receive one academic credit for semester 1 block English course and one elective credit for semester 2 block AP Human Geography.

B) MATH – Please choose the appropriate math level to begin in.

Mark	Course Number	Course Name & Description
	31111203Y & 31111204Y	Algebra I Strategies (IEP required) – a yearlong Algebra I course with access to the general curriculum with appropriate modifications and accommodations. Students receive academic math credit and an elective credit.
	111201Y & 111202Y	Algebra I & Algebra I Elective Yearlong – a yearlong regular mathematics class. Students receive academic math credit and an elective credit for this course.
	11120	Algebra I – a one-semester regular mathematics class that moves at a faster pace for students with strong grade level performance. Students receive one academic math credit.
	11120 & 11240	Algebra I & Geometry H – these are for students who are on the honors track wanting to complete all math courses Centennial has to offer. Students receive one academic math credit per class.

C) SCIENCE – Please initial for ONE class:

Mark	Course Number	Course Name & Description
	3112201	Biology Concepts (IEP required) – a one semester freshmen science course with access to the general curriculum with appropriate modifications and accommodations.
	12200	Biology – a one-semester regular education science course that is appropriate for most incoming freshmen.
	12259	Biology H – this accelerated Biology class is appropriate for eighth grade students with 70% or higher in Algebra I or 80% or higher on a placement test.
	Postpone	Postpone Biology – It is a common practice to postpone Biology until sophomore year when a student is recommended, for yearlong math and English. This allows the student to be more successful in Biology with more math and English experience.
