

## AMBASSADOR TOUR RESULTS

From August 10 – August 31, 2016: 29 Ambassador Tours were given by our Peer Counselors to newly enrolling/transferring students. Of those 29, 2 withdrew within the same time frame. Follow-ups occurred from the tours within a 2-3 week period to determine how the student has transitioned to Centennial. The following are the results of the Student Follow-Up for 27 students.

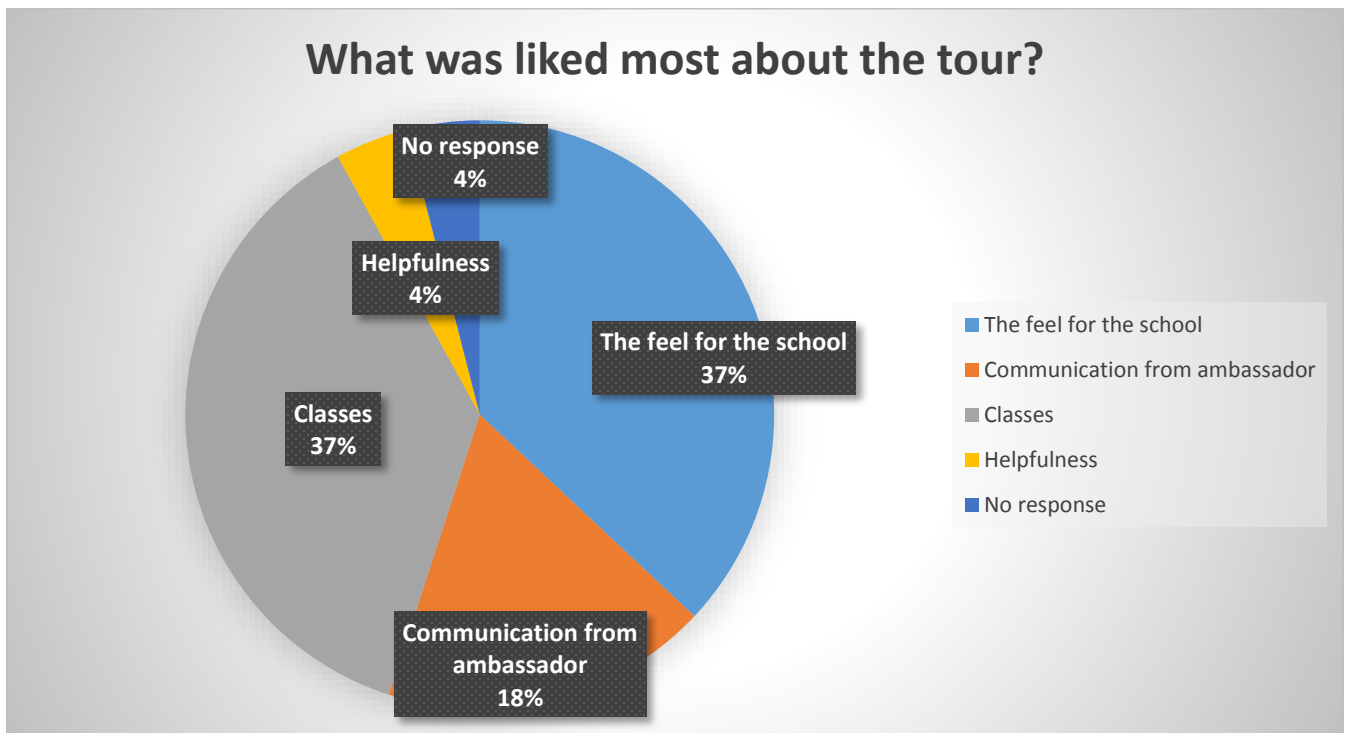

Some feedback quoted from some of the tourists:

“It was a totally new environment”

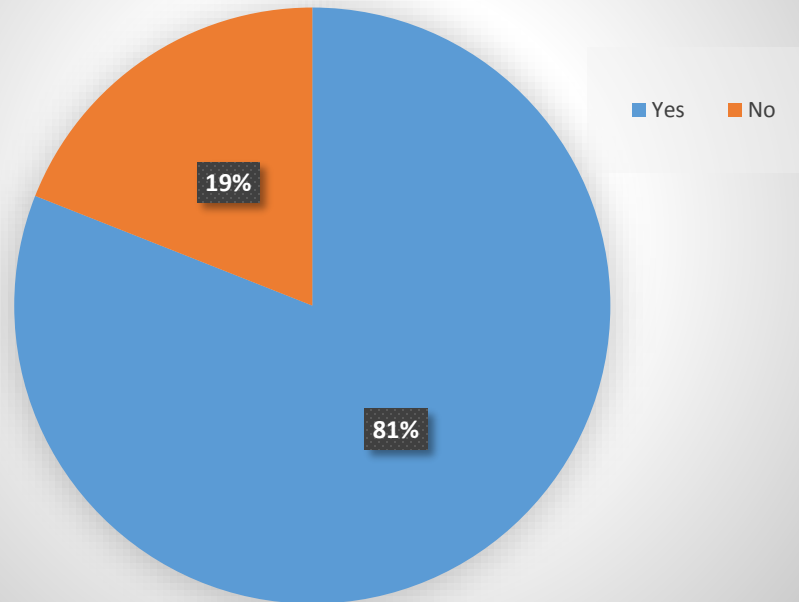

“Everyone is so welcoming”

“Everyone is so involved”

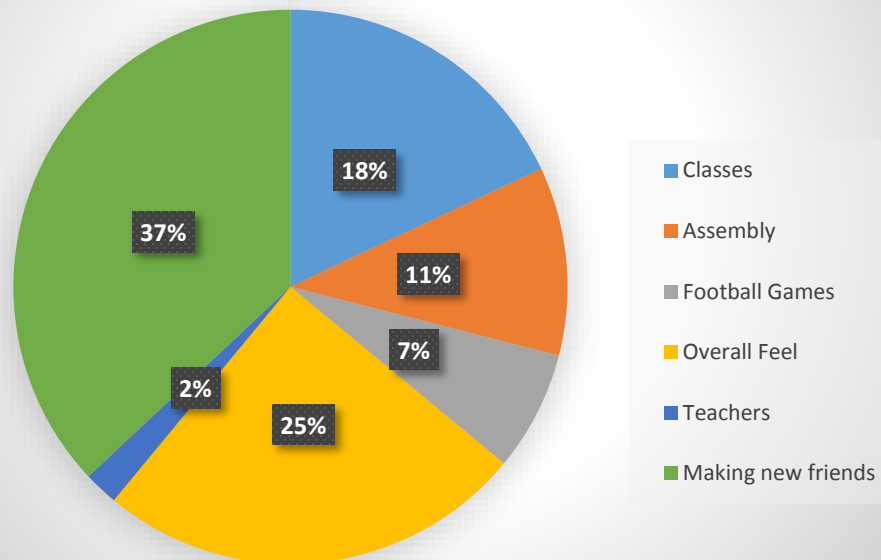

“It really opened my eyes”
