

Now is the time to start preparing for your college career!

You can use these resources to help aid you toward the right path! Just search the links, download the apps, or check out a book at your local library.

Let's get started!

## College Visits!

For information on camps tours, things to do, dining and lodging, visit the admissions website for any of the instate colleges listed below. But don't stop there, you can even visit places out of state to get a feel of the campus and environment before you make your decision.

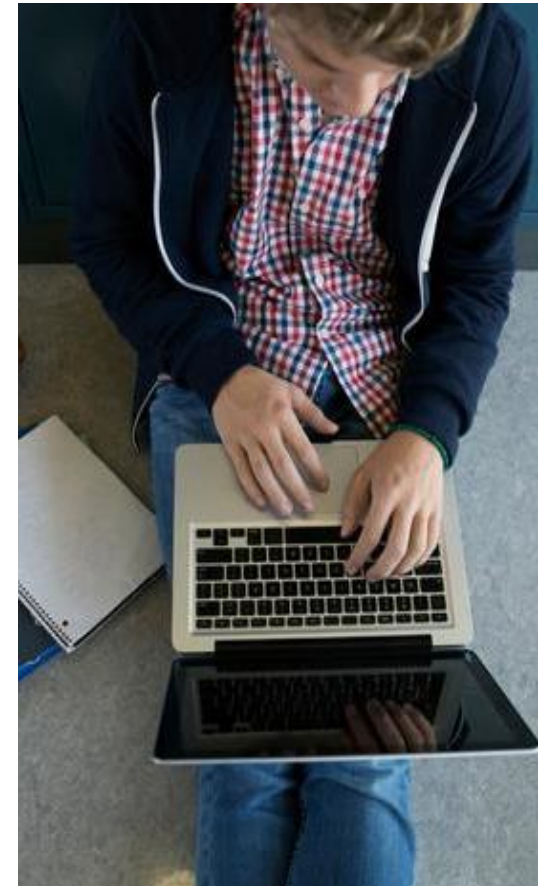

- Arizona State University- Visit campus or attend an event
- University of Arizona- Take an Ambassador tour
- Northern Arizona University- Schedule a trip to take a tour of the Flagstaff campus
- Grand Canyon University- Take a tour or participate in Discover GCU

Don't forget... campus visits and information sessions from college and military representatives are ALWAYS available on campus through Mrs. Walsh in the Career Center (inside the library/media center). Just sign up for the college of your choosing, and get all the information you need!

## Organize My (College) Life

Everything about where you need to go and what you need to use to get where you need to be.
