

NO TAX RATE INCREASE EXPECTED

On May 9, 2024, the Peoria Unified Governing Board voted to follow the recommendation of the Citizens' Advisory Committee to call for a \$120 million bond authorization in the 2024 General Election. The estimated average tax rate for the proposed new bonds is \$.27 per \$100 of limited assessed valuation. If approved, the combined tax rate of outstanding and new bonds is estimated to be \$.57 per \$100 of limited assessed valuation, which is not a tax rate increase from the current year.
