PEORIA UNIFIED SCHOOL DISTRICT NO. 11
OF
MARICOPA COUNTY, ARIZONA
SPECIAL BOND ELECTION
NOVEMBER 5, 2024**

PURPOSE FOR WHICH THE BONDS ARE TO BE ISSUED:

On May 9, 2024, the Governing Board of the District passed and adopted a resolution calling a special bond election (the “Election”) to authorize the issuance and sale of not to exceed \$120,000,000 principal amount of ad valorem tax bonds of the District in the form of class B general obligation bonds (the “Bonds”) and related matters. A copy of such resolution is available from the District by written request to the Superintendent, Peoria Unified School District No. 11 of Maricopa County, Arizona, 6330 West Thunderbird Road, Glendale, Arizona 85306, Telephone (623) 486-6000.

MAXIMUM INTEREST RATE OF THE BONDS:

The maximum interest rate on the Bonds will not exceed 8% per annum.

PLAN OF FINANCE:

If the Election is successful, it is anticipated that the District would issue the total amount of the Bonds by the means of bond sale phases conducted through 2031. The interest rate to be borne by the Bonds would be determined by the market conditions that prevail at the time of sale, but in no event would the Bonds be sold at an interest rate greater than 8% per annum. Average annual interest on the Bonds is assumed herein at 5% for purposes of estimating tax impact. Repayment of both principal of and interest on the Bonds would occur over a period of not to exceed 18 years for each bond series.

If authorized and all sold, the Bonds would be repaid from a levy of ad valorem taxes on all taxable property within the District. It is estimated that the Bonds would require an estimated average annual secondary tax rate increase of \$0.27 per \$100 of net assessed limited property value over the estimated 18 year life of the bond program.

The following is an estimated debt service schedule for the Bonds and the estimated impact to the secondary tax rate of the District given the assumptions described therein:
