

PARENT(S), GUARDIAN(S) & STUDENTS

It has been a whirlwind of a couple of weeks here in our nation, our state, and our school district. It is great to finally begin to put some of the pieces of life back together in a new fashion and move forward as we tread uncharted territories together.

Over the next few weeks, all choir courses will take place through an online platform better known as **flipgrid**. This platform will allow the students and me to interact with one another as well as the students with each other through video.

Each assignment has been given with detail and is structured for students to be able to have some fun with what they are doing. So, if you find it in you parent(s)/guardian(s) you can join in the fun too! Please, use the given links in the weekly plan for the specified course your child is in to gain access to all that is need.

Thank you and welcome back, I have sorely missed you all!

Welcome Back

REMOTE LEARNING

TIPS FOR LEARNING FROM HOME

MAKE A PLAN

The school and your teacher will prepare your lessons, but it'll be good if you'll plan how you'll be studying at home.

BE PROUD OF YOUR ACHIEVEMENTS

Studying at home isn't easy. Reward yourself for each small success.

TAKE NOTES

Notes will help you remember lessons as you watch them. It'll also be useful for reviewing later.

DO ONE THING AT A TIME

Finish one lesson before moving to the next. Do one assignment before another. Lessen multitasking.

TAKE A BREAK

Do your work in blocks to lessen the strain. After finishing one lesson, take a five minute break before moving on.

KEEP YOUR ROUTINE

Treat your day as if you're going to school. Get up, take a shower, have breakfast.
