DUAL ENROLLMENT

GCC — GLENDALE COMMUNITY COLLEGE

Parents and Students at Peoria Unified School District:

It's never too early to think about planning for college. Did you know that some of these classes may be eligible for dual enrollment credit, allowing students to earn college and high school credit simultaneously? Dual enrollment classes are economical – saving students money on tuition and textbooks and reducing college completion time. Courses available for dual enrollment credit at a Peoria Unified School District high school include (please note – the classes below are dual enrollment courses for the current 2017-18 school year.)Courses are subject to change and based on availability. Please check with your high school counselor for more information regarding dual enrollment classes at your school.
