

Dual Enrollment Course Testing & Prerequisites Guidelines

Students taking math, physics, SolidWorks or English courses must pass college placement tests to register.

Dual Enrollment Course	Placement Test Required	Score Required	How to Submit Scores
ENG101	Accuplacer: WritePlacer	5 or higher	Submit a copy of your test results with our registration form.
¹ MAT142, PHY101	Accuplacer: Elementary Algebra	70 or higher	
¹ MAT151	Accuplacer: College Level Math	32 or higher	
¹ MAT187, MAT206	Accuplacer: College Level Math	54 or higher	
MAT212, MAT220, MAT221	Accuplacer: College Level Math	60 or higher	

¹If junior or senior, may be eligible for MM2. MM2 is an alternative measure for placing students in MAT142, MAT151 & MAT187. If placement score is below required score, submit placement test score with HS transcripts showing **unweighted GPA** to the Dual Enrollment Office before registering. This is subject to change; check with the GCC Dual Enrollment office if this option is available for fall.

For other academic and some CTE courses, see below. Most CTE courses do not require testing.

Dual Enrollment Course	Test Scores Required	How to Submit Scores
American Sign Language (SLG) Biology (BIO) Business (GBS132 & GBS215) Child & Family Studies (Only CFS200 or higher) Education (EDU) Engineering (ECE102) English Humanities (ENH) History (HIS) Political Science (POS) Sports Medicine (HES271) ² World Languages (SPA, FRE, GER)	Composite score of 93 or more on the PSAT, or Composite score of 930 or more on the SAT, or Composite score of 22 or more on the ACT, or Proficient minimum score on AzMERIT ELA or Math test, or Completion of a college placement test designated by the Community College District that indicates the appropriate college level for the course.	If your scores are contained on your high school transcripts, submit your transcripts with your registration form. If you have not taken the PSAT, SAT, ACT, or AzMERIT make arrangements with your high school counselor or college representative to complete a college placement test.

²For Dual Enrollment, World Languages 102, 201 & 202 levels do not require previous course for prerequisite but when transferring to the university, the accepting university may require 16 World Languages credits for graduation.

For prerequisite course, students must earn a grade of "C" or better, see below.

GCC Course	Prerequisite/Placement Test Required	How to Submit Scores
CHM151/151LL	CHM130 & CHM130LL or one year of high school chemistry and MAT151 or higher level mathematics course or equivalent high school math course	Submit copy of HS transcript showing Chemistry and/or math course.
ECE103AB	ECE102 and high school physics or PHY111	Submit copy of HS transcript showing Physics course.
ENG101	Placement test or ENG091 or ESL097	
ENG102	ENG101	
HES275	HES271	
¹ MAT142	Placement test or MAT090/091/092/093 or MAT120/121/122	
¹ MAT151	Placement test or MAT120/121/122	
MAT182	MAT151	
¹ MAT187	Placement test or MAT120/121/122	
MAT206	Placement test or MAT142 or MAT151	
MAT212	Placement test or MAT151 or MAT187	
MAT220/221	Placement test or {MAT151 and MAT182} or MAT187	
MAT230	MAT220 or AP Calculus AB score of 3, 4, or 5 or AP Calculus BC score of 3	Submit copy of AP score report.
PHY101	Placement test – See above	
PHY111	MAT182 or MAT187 or a "C" or better in high school (HS) Trigonometry	Submit copy of HS transcript showing HS Trigonometry.
SLG102	SLG101
