

Process for Current Eighth Graders Seeking Open Enrollment to a PUSD High School

Priority Enrollment Dates: On or before December 1st

All Open Enrollment Applications should submit directly to the high school.

Question/Scenario	Answer
I currently reside outside of the PUSD district, but my child currently attends a PUSD elementary school on Open Enrollment. I would like my child to attend the High School that the elementary feeds into. Do I still complete a new Open Enrollment Application?	Yes - An Open Enrollment Application must be completed and submitted to the high school for your child to attend the high school that his/her elementary school automatically feeds into.
My child currently attends the PUSD elementary school designated for my residence. However, I would like my child to attend a different high school than the one that my elementary feeds.	Yes - An Open Enrollment Application must be submitted to the chosen high school for your child to attend a different PUSD high school.
My child currently attends a PUSD elementary school on open enrollment, but I reside in the attendance area for the high school I would like to attend. Do I need to complete an Open Enrollment form?	No - An Open Enrollment Application is not needed for students attending the high school designated for their residence. Contact the high school and let them know your intention to attend there.
My child currently attends an elementary school/junior high school outside of PUSD, but I reside within PUSD boundaries. Do I need to complete an Open Enrollment to attend the PUSD high school designated for our residence?	No – Open Enrollment is not required if you reside within the high school boundaries. Complete the online registration process when it is available for the next school year.
I currently reside outside of PUSD and my child attends an elementary/junior high outside of PUSD. I would like my child to attend a PUSD high school. Do I complete an Open Enrollment Application?	Yes - An Open Enrollment Application must be completed and submitted to the high school of your choice.

If application is submitted prior to December 1st, you will be notified of acceptance status by the last Friday of the Fall Semester.
