District policy restricts all 9th grade students from driving to school and parking on campus. In order to insure safe and orderly use of the school parking lot, the following procedures will be observed. A violation of any of the regulations below may result in the loss of driving and parking privileges.

- Purchasing a parking permit guarantees a parking space each day. You will be assigned a numbered spot. **Student parking is limited to your spot only. Parking in the faculty/visitor lots or in spaces designated for staff may result in your parking privilege being revoked.**
- **All debts, textbooks, and calculators must be cleared before a parking permit is issued.**
- A copy of the Valid Arizona Vehicle Registration, Request for Parking Permit form, Valid Arizona Driver's License, Proof of Insurance, Student ID, and payment must be received in order to obtain a parking permit.
- All vehicles parking on campus must be purchased & registered with the Bookstore and display a valid parking sticker. You may not sell or give your permit to anyone else.
- Students use the parking lot at their own risk. The school is not responsible for theft or damage. Students are encouraged to lock their cars at all times.
- Pedestrians have the right of way at all times on campus.
- Students are to park in assigned lot. Seniors FRONT LOT, please enter by the SMART building, Juniors and Sophomores, TENNIS COURT/POOL LOT.
- Students are not to park in the areas designated as Visitor, 30-minute, Handicap, or Staff.
- Students are to be in the parking lot only when arriving or leaving campus and for no other reason. Cars are not to be used as lockers/storage, etc.
- Loitering in the parking lot during the school day is not permitted.
- Driving in a manner that is deemed unsafe, hazardous, or unlawful is grounds for immediate revocation of all campus driving and parking privileges.
- Any of these violations may result in a loss of parking privileges and/or towing of vehicles at owner's expense.
- **You may not go to your vehicle or parking lot during the school day. If caught in the parking lot, your parking permit may be revoked, and no refund given. You may also receive school consequences.**

Please complete and return this form to the Bookstore to receive your parking hanger. There are a limited number of parking hangers. Students without a hanger may not park on campus. Admission to the parking lot will require the proper hanger and will be on a first come/first serve basis.

I have read and agree to the above parking lot regulations and guidelines.
