Dear Alta Loma Students and Families,

It is with great pleasure and excitement that I introduce myself, Cara Miller, as the new Assistant Principal of Alta Loma Elementary. I am beginning my 10<sup>th</sup> year in Peoria Unified School District, a place I proudly send my own children to. Over the last decade, I've served as an elementary and high school English teacher in both traditional and non-traditional environments, as well as worked as a districtwide Curriculum and Instruction Coach. I am thrilled to continue my journey at Alta Loma Elementary serving alongside Mrs. Witte.

I am passionate about education and helping all students succeed. As the Assistant Principal of Alta Loma, I look forward to working collaboratively with all staff members, students, and families to support our students' academic, social, and emotional growth. It is important that every student receives the most well-rounded education possible.

Overall, our greatest initiative will be to continue to work together to provide differentiated learning opportunities for each student and inspire and challenge our students to meet their full potential as learners and as individuals. Together we can accomplish more.

I am honored to join the Alta Loma community, and I look forward to meeting all of you this year!

Sincerely,

*Cara Miller*
