Each year, more than 5,000 Relays for Life occur throughout 20 countries. Centennial High School's National Honor Society is proud to host the 2022 West Valley Relay for Life. Each year, many CeHS clubs partner with NHS to help the American Cancer Society save lives, celebrate lives and lead the fight for a world without cancer! This year, we're inviting

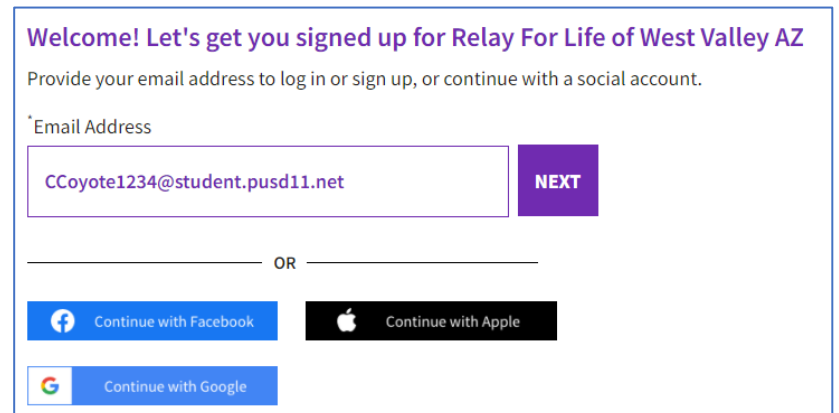

- Centennial Clubs: Work together to plan a fun and creative fundraiser in the Stadium, to support cancer research and prevention!
- Centennial Students and Parents: Join the Centennial team to raise donations on behalf of the team, to benefit the American Cancer Society.

Students who wish to participate must do so as part of a participating Centennial club or sport. Students, please **speak with your parents to determine if they will allow you to create a personal fundraising page. You may not create a personal fundraising page without your parents' permission.**
