**READ ME:** You have a two-week window to edit/enter time (current and previous week). If you forgot to log time and it is outside the two-week window, then email your teacher with the date(s) and the time that needs to be recorded.

Also, you need to log a minimum of **400 minutes** each week for each eCampus course you are enrolled in. Finally, your parent/guardian should be verifying your time each week. Your parent/guardian can email Cindie Shinske, the eCampus secretary, at [cshinske@pusd11.net](mailto:cshinske@pusd11.net) or call 623-412-5345 if they have any questions about the parent verification system. There is also a [parent verify video](#) that walks them through the steps on how to verify time.

A report will then appear that will display your student's personal information at the top followed by the time spent on the course. You and your student will need to sign and date the report.
