Please remember to make a note of the email address and password you entered as they will be required should you wish to make changes to your online application in the future.

2. Continue through the application, answering all questions to the best of your ability. When you get to the page that asks about your interest in an undergraduate degree at GCU, please note that this is asking if you are interested in attending GCU full time after you graduate from high school. If you select yes, you may receive contact from another representative at the university to discuss scholarship opportunities and other programs that may be of interest to you. If you are not interested, no worries, we will still work with you to take advantage of the dual enrollment program.

The screenshot displays the application portal interface. At the top, a black navigation bar contains 'Help', 'Log off', and '1-855-GCU-LOPE'. Below this is a purple header with the 'GRAND CANYON UNIVERSITY' logo on the left and an 'APPLY TO GCU' button on the right. The main content area is titled 'PROGRAM QUESTIONS' and includes a note: '* Indicates a response is required.' The primary question is 'Are you considering enrolling in an undergraduate degree with Grand Canyon University?*' with radio button options for 'Yes' and 'No'. Navigation buttons include 'BACK', 'SAVE', and 'SAVE & CONTINUE'. A right-hand sidebar menu lists sections: 'About Me', 'History', 'Forms', 'Legal Guardian', 'Program Questions' (highlighted), 'Additional Questions', and 'Submission'. The footer features social media icons and contact information: 'Grand Canyon University © 2017 - All Rights Reserved. 3300 West Camelback Road - Phoenix, AZ 85017 | 1-855-GCU-LOPE'.

3. Continue through to the end, and make sure that you click the final “Submit Application” button.

SUBMIT APPLICATION

Thank you for choosing Grand Canyon University!

By clicking Submit Application, I understand and consent to GCU sharing access to my educational record with my current high school and district as necessary to carry out terms of dual enrollment. I understand and consent to this information being shared only amongst employees who have a legitimate interest and a need to know the substance of the particular record, understanding that I, as a student enrolled in Dual Enrollment courses, will be enrolled at both my high school and GCU.

4. Once the application is submitted, you will see the following page. Form here, you are all set and do not have to do anything else to receive contact from the dual enrollment team. You can, however, get a head start on the registration process by printing off the Parental Authorization Form and Student Information Release Form listed here or by taking the online placement exam. Please note, all English or math courses do require a placement exam to be completed by a student.
