

Grand Canyon University Dual Enrollment Frequently Asked Questions

What is Dual Enrollment?

Dual Enrollment allows students to take classes that earn credit towards both high school and college simultaneously.

Where will I take the course?

This course will be provided fully online through GCU's learning management system, LoudCloud. All courses are 4 semester credits and 7 weeks in length.

What GPA or exams do I need to get in?

If you are a sophomore in high school, you will need a 3.25 unweighted GPA or higher. If you are a junior or senior in high school, you will need a 3.0 unweighted GPA or higher. If you are going to take a math or English class, you will need to take an online GCU placement exam. This will be done through GCU's student portal once you have completed an application.

What if I am not going to GCU?

We are regionally accredited through the Higher Learning Commission, so our credits are transferable to almost every college nationwide. We recommend that you talk with someone at the college you want to attend to see what classes might best fit your major's coursework.

How much will it cost?

Classes are \$52.50 per credit and all of our classes are 4 credits, totaling \$210. Most courses also have a \$95 electronic book fee or fees through third party vendors.

What courses can I take?

GCU's online course offerings are available at <https://www.gcu.edu/individual-courses/dual-enrollment>. You may use the interactive table on this page to reference a brief course description as well as the next upcoming 3 start dates for each course.

How do I sign up?

Students complete an online application at <http://apply.gcu.edu>. Once that application is completed, a GCU representative will contact you to provide next steps. The entire process will take about 5-10 business days depending on how quickly a student can complete the steps.

What if I change my mind after the class starts?

If you decide to withdraw from a class, you will need to notify your GCU Dual Enrollment Counselor. Once students have posted in a class, they become academically responsible for the course, so it will appear on their GCU transcripts. Students who withdraw during the first week may receive a 75% refund of their tuition, but no refund will be given after the first week of class.
